As part of the Consolidated Appropriations Act of 2016, all Minnkota Windows doors and windows placed in service between January 1, 2016 and December 31, 2016 qualify for a credit of 10% of the cost of the door or window (not including installation) with a $200 maximum credit per household for 2016.

This letter certifies that all Minnkota Windows products meet or exceed the Energy Star program requirements in all climate zones in which the windows are installed when delivered with an ENERGY STAR label.

Thermal performance criteria for Minnkota Windows' ENERGY STAR® labeled products have been independently tested as verified by the National Fenestration Rating Council (NFRC).

For tax purposes, homeowners are advised to keep their purchase receipt(s). As in all tax matters, the taxpayer is advised to consult their tax professional.

Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true, correct and complete.
