

ACCIDENTAL GLASS BREAKAGE WARRANTY

If a panel of insulated glass manufactured by Minnkota Windows and installed in one of its windows or patio doors should break during the glass warranty period, Minnkota will furnish a replacement panel at no charge.

This warranty is limited to the furnishing of a replacement insulated glass panel, and does not cover or include any labor costs incurred in the removal or reinstallation of the insulated glass panel or window. Shipping and handling are not covered by this warranty and are the responsibility of the original Homeowner.

Architectural shapes (bent shapes), special shaped windows and patterned or decorative glass windows are excluded.

This warranty does not cover damages resulting from misuse or neglect, vandalism, fire, flood, earthquake, lightening, ice, hail, windstorms, tornados or other acts of God or acts of civil unrest (war, riots). This warranty is limited to the original single family Homeowner and is not transferrable. This warranty is not applicable for products installed in commercial or multi-family dwellings.

Some states do not allow the exclusion or limitation of incidental consequential damages or the limitation of remedies for a breach of warranty, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights, and you may also have other rights that vary from state to state.
