

Brickmould

Minnkota Windows offers many exterior trim options, including ten different brickmould configurations. Brickmoulds are applied in the factory and offer a durable and aesthetic finish on the exterior of your home. All are available in any of the exterior colors Minnkota Windows offers to match your windows or other accent on the home.

Extension Jamb

Extension jambs offer virtually maintenance-free trim finish to complete the space between the window and wall for the interior of your home. Select colors identical to the interior window color or accent with woodgrain jambs on white windows. Woodgrain colors are an identical match to the woodgrain window options.
