Pet Screen

PRODUCT BULLETIN

Pet Screen Option for Patio Doors

There is now a second option for screen material on all Minnkota Windows Euro Series French Doors and Sliding Patio Doors. Pet-resistant screen resists damage by cats and dogs. It maintains excellent outward visibility and is made of strong vinyl-coated polyester, black in color. It is seven times stronger than regular insect screening.

List Price: \$80 add-on

Under "Screen Options" when building a Patio Door, or Euro Series French Door, you have the option of selecting "Pet Screen" in the configurator.
